In an attempt to create fair and equal scheduling that meets as many skaters' needs as possible, the following scheduling policies will be implemented for the 2021-22 season. These policies allow all skaters an equal opportunity in scheduling lesson times and allows parents to schedule times that work best for their skaters. The lesson caps will be implemented to meet the lesson needs of as many skaters as possible. The priority scheduling takes into consideration the skaters' overall lesson time opportunities and needs. If you have any questions or concerns, please contact Coach Sydney. Please note that Coach Sydney's schedule times may change with ample notice due to changes in rink scheduling, holidays, etc.
